Sage University instructions:

Follow these step-by-step instructions to sign up online:

1. Visit www.SageU.com/Sage300
2. New to Sage University? Select your product and then **Create a profile**.
3. To create a Sage University profile, you will need to log on to your **Sage account**.
4. If you do not already have a Sage account, you can create one using the "**Create account**" link found at the bottom of the login page.
5. You will need access to your email to retrieve a validation code to create your Sage account.
6. **View FAQs** about your Sage account login to learn more.
7. Once you've logged on to your Sage account, complete the Sage University profile creation form and **get started!**

NOTE: Creating a Sage University profile is a one-time task. Once complete, you will log on to access Sage University

For help navigating Sage University, email SageUniversity@Sage.com.

Sage account versus Sage University profile

Your Sage account allows you to access different Sage products and services through a single log-on.

Fewer passwords to remember are a win for everyone!

Your Sage University profile is your personal record of training, badges, and certifications completed on Sage University.

Price disclaimer:

Prices and availability are subject to change without notice. While we strive for accuracy, mistakes happen. In the event of an incorrect price on a quote or order, you will be notified by email or phone and given the option to accept the corrected price or cancel the order.
