- On the **Create a new password** screen, enter and confirm your new password, then click on **Reset password**.

The screenshot shows the Sage login interface for creating a new password. At the top is the Sage logo. Below it is the heading 'Create a new password' and the instruction 'Enter a password unique to this account.' There are two input fields: 'New password' and 'Confirm new password', both with masked characters and eye icons. A feedback box below the second field shows a green checkmark and the text 'At least 8 characters'. At the bottom is a green button labeled 'Reset password'.

- A confirmation message will be displayed when your password has successfully been reset. Click on **Continue** to log into Sage University with your new password. You will also receive an email from [donotreply@notify.sage.com](mailto:donotreply@notify.sage.com) confirming the password change.

The screenshot shows a confirmation screen with a green checkmark icon in a circle. Below the icon is the heading 'Password Changed!' and the text 'Your can now use your new password to log in to Sage.' At the bottom is a green button labeled 'Continue'.
